

911 Reflective Address Signs

The Police Department in conjunction with the Friends of the South Hampton Library are offering 911 Reflective Address kits to residents for a donation of \$10.00. These kits will enable emergency response personnel to easily find your house at anytime day or night. Please remember that often out of town personnel maybe responding to an emergency and they will not be familiar with South Hampton. The kit includes a 6" x 10" reflective green aluminum plate. We will add the reflective numbers of your residence and you can either install it yourself or we can do it for you. The plates are usually put up on mail box posts, poles or objects close to the road. Please fill out the form below. Thank You.
